

PROJECT STAFF

Jessica DiMaria

Interior Designer

Jessica is a creative and determined interior designer who joined **WTA** in 2024 after completing a successful internship in 2023. Jessica's passion lies in crafting accessible spaces within commercial design that help to better the daily experiences and lives of others. She finds inspiration in the natural world and seeks to blend nature into her designs in unique ways.

Jessica consistently promotes good planning, collaboration, and communication to enable both personal and professional goals to come to fruition. Jessica's dedication to establishing lasting internal and external relationships makes her a valuable asset to the **WTA** team. Her fresh perspectives on design, coupled with her drive to continue learning, enable her to thrive as an interior designer.
