

PROJECT STAFF

Mark Robinson, ASLA

Landscape Architect

Mark brings to **WTA** a wealth of experience, from regional concepts to intricately-designed gardens across eleven states and even Italy. Mark's interactions with clients and the public, coupled with collaboration with allied professionals, have consistently resulted in outstanding landscapes. Mark has received numerous awards, including the Keep Michigan Beautiful Award, and he has also made significant contributions to academia as a Visiting Lecturer at the University of Michigan, North Carolina State University, and North Carolina A&T University. As a member of the American Society of Landscape Architects (ASLA) and past president of the Michigan Chapter of ASLA, Mark is a highly-revered figure in his field. His passion for crafting public parks and creating exceptional indoor and outdoor green spaces aligns perfectly with our commitment to creating environments that people enjoy and value over time.
