

PROJECT STAFF

Deedra M. Richmond, NCIDQ, LEED AP

Associate, Interior Designer

With 26 years of experience in interior design at **WTA**, Deedra is driven to create inspiring spaces that invigorate occupants' learning, healing, and working environments. Not only does she craft design concepts for stand-alone interiors projects, she regularly collaborates on whole building designs, weaving the architectural design into the interior details. Her deep understanding of design principles and keen eye for detail result in spaces that aesthetically captivate and foster a sense of wellbeing with flexible, efficient functionality.

As a certified NCIDQ professional and LEED-AP at, Deedra is at the forefront of her industry and leader in sustainable practices. Her commitment to environmentally conscious design further enhances the value she brings to each project. Whether it's an educational institution, a healthcare facility, or a corporate office, Deedra's work leaves a lasting impact on the lives of those who inhabit these spaces.
